
Chatti
by Regi Mathew

Welcome to Chatti, where the vibrant and bold flavors of Kerala's toddy shop cuisine take center stage in the heart of New York City. Inspired by the micro-cuisine of this vibrant coastal state of southern India, our menu brings together food, drink, and community in a way that honors tradition while embracing new experiences.

The name 'Chatti' (pronounced chuht-tee) is a tribute to the humble clay pot, an essential part of Kerala's toddy shop kitchens, where slow-cooked, spice-laden dishes are crafted with heart and tradition. Our menu is a celebration of this rich culinary heritage, from the seafood feasts of the backwaters of Alleppey to the robust meat preparations of Malabar and the High Ranges . All that pair perfectly with great cocktails. It's all about bold flavors, shared plates, and unforgettable conversations—just like in the toddy shops of Kerala.

At Chatti, every meal tells a story, every flavor sparks a memory, and every gathering is a celebration. Sit back, savor, and enjoy this truly special slice of Kerala's food culture.
